Plastic

A low cost screw together 'D' shell with captive metal jackscrews and external strain relief available in 9, 15, 25 and 37 ways. The body design provides valuable extra space for wiring. Line to line applications are catered for with coupling blocks which enable two in-line shells to be screwed together.

H = 49, W = 33 (9 way), 42 (15 way), 55 (25 way), 71 (37 way), D = 16

Housing Black thermoplastic,
