

Disposable Gloves — continued

Finesse™ Vinyl Powdered

- So fine it feels like a second skin
- Strong enough to be re-used in some applications
- Vegetable starch powdering on inside of glove eases donning and absorbs perspiration
- Soft vinyl formulation gives greater comfort, and is more flexible and dextrous to use
- Ambidextrous - fits either hand
- Available in three colours
- Suitable for food handling

Typical applications: Food processing, pharmaceutical, electronics, inspection, laboratory, emergency services, local authorities, hospitals and clinics

Length: 24cm
Thickness: 0.14mm (single wall measured at palm)

Finite™ Nitrile Powdered

- Nitrile synthetic rubber offers better puncture and abrasion resistance than natural rubber or vinyl
- Soft, elastic material feels cooler and is more comfortable and flexible to wear
- No latex proteins - eliminates protein skin sensitisation
- Vegetable starch powdering on inside of glove eases donning and absorbs perspiration
- Excellent grip in both wet and dry situations
- Rolled cuff where a braided cuff is preferred
- Ambidextrous - fits either hand
- Suitable for food handling

For minimal risk only
Typical applications: Food processing, laboratory, emergency services, medical, veterinary and schools

Length: 25cm
Thickness: 0.10mm (single wall measured at palm)
