Spillage Control - Chemical Sorbents

Chemical Sorbents

- Enables immediate response to chemical spillages
- Allows fast and effective containment and clean up
- Suitable for use with a wide range of hazardous liquids
- Promotes on-site safety
- Easy disposal

A range of chemical sorbents and hazardous spill response kits for emergency spill control. They are available in a wide range of formats, each with exceptionally high absorption rates to enable efficient management of spills.

WHS320

Chemical Sorbent Sheets

- Packed in handy 50 sheet dispenser
- Quick and effective
- Ideal for small scale spillages

Size	Absorbency	Mftrs. List No.	Order Code
