

Beakers

Heavy-Duty Beakers

- Specifically designed to offer the best mechanical strength under harsh conditions
- Reinforced rims, thicker walls and heavier bases provide beakers with increased strength and longer life
- Sizes 250ml and greater have a double graduated scale to indicate their approximate content
- All sizes have an extra large marking spot

Flasks

Heavy-Duty Conical Flasks

- Specifically designed to offer the best mechanical strength under harsh conditions, including washing operations
- Reinforced rims provide flasks with increased strength and longer life
- Approximate graduations are in durable white enamel
- Extra-large marking spot
