## Strain Relief Boots and Shielding Cans

### Strain Relief Boots

RJ45

- Protection for terminated plugs
- Nine colours available for easy cable recognition.
- This neoprene strain relief boot offers protection against strain on cable connections
- Designed for fitment on RJ45 data plugs the strain relief will accept standard 4 Pair UTP and STP cable
- Strain relief boots can be used with the shielding cans (728-780) below, to provide both shielded and protected termination.
