

## Static Safe Storage Boxes

### Wall Mounted Visual Bin System

Volume conductive stock bins, mounted on an Electro-Galvanised Steel panel, complete with earth connection (safety 1MΩ resistor incorporated), for permanent wall fixing.

Available as louvre panel and separate bins to allow for individual requirements.

Maximum configuration per panel:

24 Racostat 60 or 16 Racostat 120 or 12 Racostat 240.

Wall Panel Bins	Dimensions			Mftrs. List No.	Order Code
	H	W	D		
Racostat 60	50	125	130	4800-5927	419-760
Racostat 120	75	125	170	4801-0929	419-771
Racostat 240	100	125	225	4802-0931	419-783

SS2X

Wall Panel Bins	Order Code	Price Each		
		1+	4+	8+
	<b>108-233</b>			
Racostat 60	<b>419-760</b>			
Racostat 120	<b>419-771</b>			
Racostat 240	<b>419-783</b>			

### '90 Series' Cabinets 18 and 36 Drawers

18 drawers: H = 57, W = 87, D = 135

36 drawers: H = 35, W = 64, D = 135

Cabinets: H = 420, W = 307, D = 146

Conductive cabinets manufactured in electro-galvanised steel, for the safe storage of electrostatic sensitive devices. Each cabinet is supplied with an earthing lead, incorporating a 1MΩ resistor.

Mftrs. List No. 91802 = 234-886, 93601 = 419-837

Cabinets	Order Code	Price Each		
		1+	4+	8+
18 drawer	<b>234-886</b>			
36 drawer	<b>419-837</b>			
<b>Drawer Dividers</b>		<b>Price Per Pack</b>		
36 drawer, pack of 48	<b>100-784.</b>			

### Turntable

A galvanised conductive turntable suitable for holding up to 12 '90 Series' static safe cabinets.

Note: The cabinets illustrated are available separately

H = 1600, Dia = 680

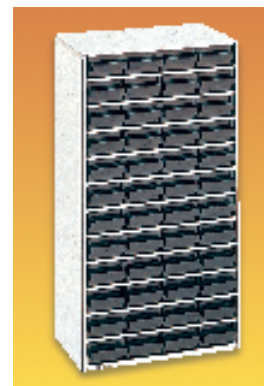

SS49X

Mftrs. List No.	Order Code	1+	Price Each	2+	4+
DC90	<b>234-904</b>				

### '150 Series' Cabinets 24 and 48 Drawers

24 drawers: H = 57, W = 87, D = 135

48 drawers: H = 35, W = 64, D = 135

Cabinets: H = 555, W = 307, D = 150

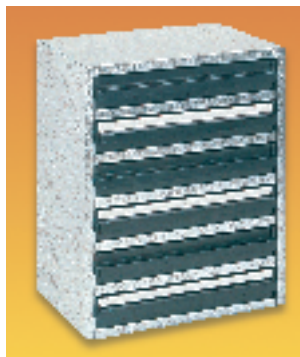

Conductive cabinets manufactured from electro-galvanised steel, for the safe storage of electrostatic sensitive devices. Each cabinet is supplied with an earthing lead, incorporating a 1MΩ resistor.

Mftrs. List No. ESD24-02BL = 290-038, ESD48-01BL = 290-040

SS97X

Cabinets	Order Code	Price Each		
		1+	4+	8+
24 drawer	<b>290-038</b>			
48 drawer	<b>290-040</b>			
<b>Drawer Dividers</b>		<b>Price Per Pack</b>		
48 drawer, Pack of 48	<b>100-784.</b>			

### '250 Series' Cabinets 6 Drawers

Strong, sturdy cabinets manufactured from electro-galvanised steel. The cabinet has 6 large drawers, when these are lined with conductive foam they make excellent storage for a wide range of device shapes and sizes. Two packs of conductive open top box inserts are available. One pack will fill one drawer, and the inserts can be mixed and matched as desired. Each cabinet is supplied with an earthing lead, incorporating a 1MΩ resistor.

Cabinet: H = 440, W = 360, D = 250  
Drawers: H = 45, W = 312, D = 218

Mftrs. List No. ESD6.3BL = 290-051,  
A9BL = 290-063,  
A8BL = 290-075

SS96X

Cabinet	Order Code	Price Each

<b>Price Per Pack</b>				
Small insert box, Pack of 32	<b>290-063</b>			
Large insert box, Pack of 16	<b>290-075</b>			

### Static Safe Brief Cases

A range of black, carbon impregnated polypropylene cases, each containing a two-piece pink anti-static foam insert. With a surface/volume resistivity of less than 10<sup>10</sup>Ω per square, the cases are ideal for transporting electrostatically sensitive devices and boards, field service kits, instrumentation, and for use within ESD protected areas.
