Masonry Drill Bits

Masonry, Rotary Impact

- Tungsten Carbide tipped drills for use in concrete, stone etc
- The tip is brazed into a high strength rolled fluted carbon steel bit
- Suitable for use in rotary impact power tools
- The larger drill sizes have reduced shank diameter
- Loose drills are finished with bright zinc plate
- Colour coded set matches up with standard wall plug colours
- Set comprises of the following

Drill Colour	Drill Dia.	Overall Length
Yellow	5	85
Red	5.5	100
Brown	7	100
Blue	10	120

FOR WALL PLUGS SEE SECTION 5
