

Circular Saws — continued

Circular Saw, 134mm Industrial Standard

H = 210,
W = 160,
D = 280

- Small machine (130mm) offers versatility which many larger machines cannot
- Base plate can be adjusted to give 3 professional saws in 1, normal circular saw, plunging saw and a butt edge saw for cutting within 15mm of a right angle
- Supplied with a carbide tipped, teflon coated, fast cutting saw blade, a rip fence and 4m of power cable

Note: Industrial standard power tools are designed specifically for the professional user and will give reliable service in industrial environments.

Atlas Copco

Saw			
Cutting depth	0-42mm	Power input	800W
Saw blade dia.	134mm	Weight	3.1kg
No load speed	6000 rpm	Mfrs. List No.	TKS42
Butt edge width (min)	15mm	This tool carries a 6month industrial guarantee.
