

Battery Tester

Battery Tester

PLASPLUGS

- Suitable for testing both 1.5V and 9V type batteries
- Test AAA, AA, C, D and PP3 battery types, plus 1.5V button cells
- Easy to read colour-coded meter

Alkaline Batteries

Alkaline Manganese 'Energizer' Blister Packed, Mercury/Cadmium Free

- High performance alkaline batteries with long shelf life
- AA and AAA new advanced formula for high drain conditions – added protection against leakage and corrosion
- On board battery tester on all except PP3 and LR1B1
