Switch Disconnectors

3 Pole Panel Mounted c/w Handle

Rockwell Automation

- 3 pole front mounted disconnect switch – complete with handle
- Rated current up to 100 amps (500V AC-21A)
- kW rating at 400V (AC-23A)
- Finger proof switch body (IP20)
- Water spray and dust proof actuators IP65
- Yellow legend plate and red knob (other versions available)
- Provision for locking with 3 padlocks
- Conforms to the isolation requirements for disconnectors
- Provides on load making and breaking functions as well as the isolation function
- Shaft length: 34mm (supplied)
