

Drill Sets — continued

Metal Case 8% Cobalt
BS 328 DIN 338 ISO 235/1

- HSSE, 8% Cobalt, heavy-duty drill sets
- Premier-quality cobalt drill sets with a rigid flute design and a split point to give good starting and cutting ability
- The high Cobalt content gives the drill a higher hot hardness to cut high tensile and tougher materials

Tin Metric

BS 328 DIN 338 ISO 235/1

- HSS – TiN coated jobber drill set
- TiN coating gives improved performance on the versatile jobber drill
- The coating allows a higher cutting speed and a wider application of materials to be cut, especially mixed aluminium and steel and other combinations of cutting conditions
