Hot plugging, easy connecting to running systems

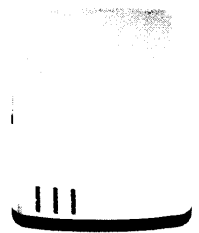

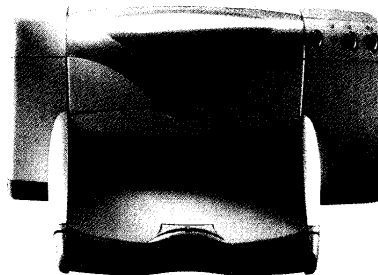

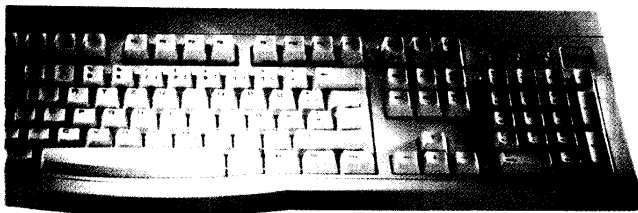

Automatic installation with plug and play technology

Le standard pour brancher des appareils périphériques à l'ordinateur

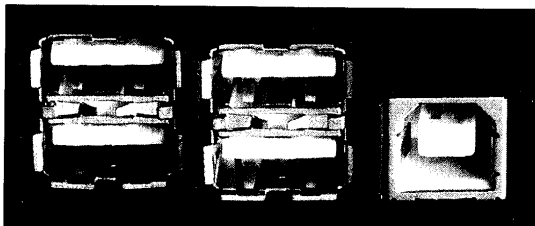

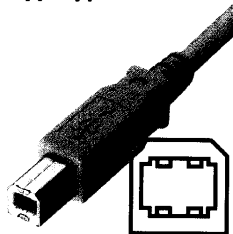

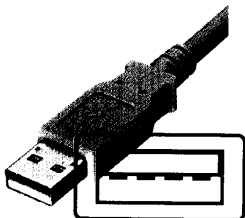

Hot plugging, connexion facile pendant la marche de l'ordinateur

Installation automatique avec technique Plug and play

Typ/type A

Typ/type B

## Adapter Adaptors Adaptateurs

2400 01

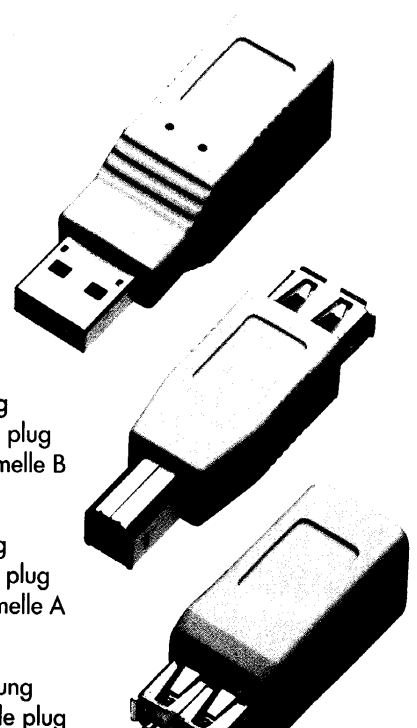

A-Stecker auf B-Kupplung  
A male plug to B female plug  
fiche mâle A sur fiche femelle B

2400 02

B-Stecker auf A-Kupplung  
B male plug to A female plug  
fiche mâle B sur fiche femelle A

2400 03

A-Kupplung auf B-Kupplung  
A female plug to B female plug

Steckertypen/Connector types/Types de connecteurs

## Anschlusskabel Connecting cables Câbles de raccordement

### 2460...

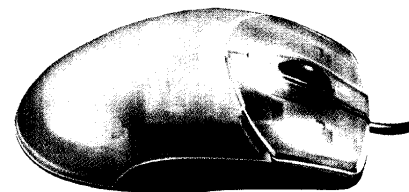

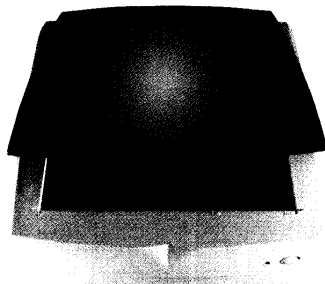

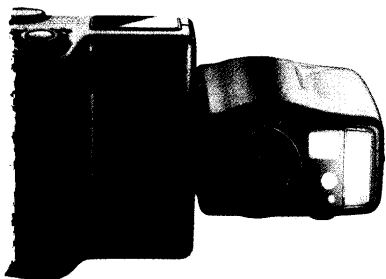

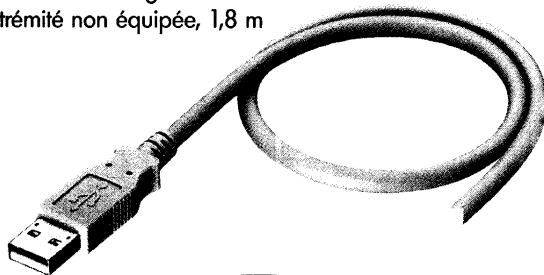

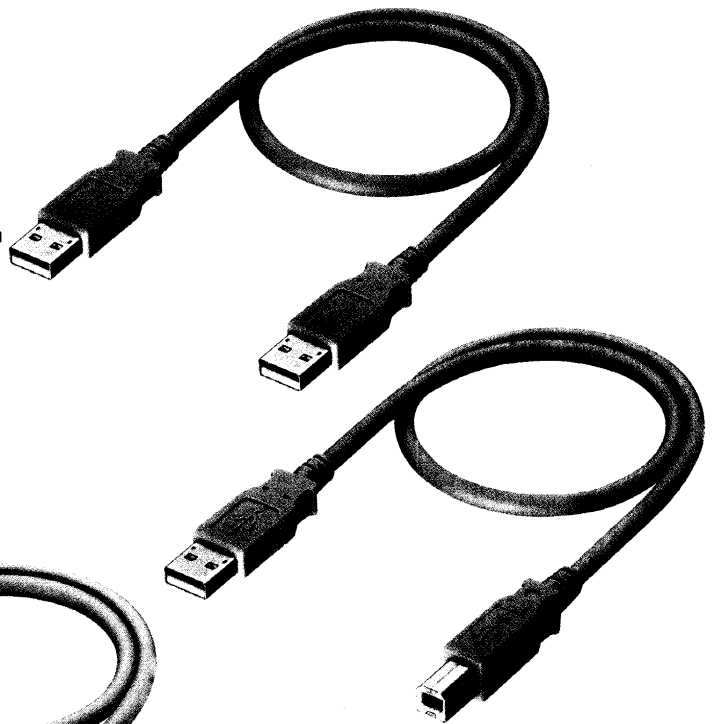

A-Stecker auf A-Stecker, Farbe beige, 1,8 m, 3,0 m oder 5,0 m  
A male plug to A male plug, colour beige, 1,8, 3,0 or 5,0 m  
fiche mâle A sur fiche mâle A, 1,8, 3,0 ou 5,0 m

### 2461...

A-Stecker auf B-Stecker, Farbe beige, 1,8, 3,0 und 5,0 m  
A male plug to B male plug, colour beige, 1,8, 3,0 or 5,0 m  
fiche mâle A sur fiche mâle B, 1,8, 3,0 ou 5,0 m

### 2462 01

A-Stecker auf offenes Ende, Farbe beige, 1,8 m  
A male plug to open end, colour beige, 1,8 m  
fiche mâle A, autre extrémité non équipée, 1,8 m

## Einbaukupplungen Female sockets Embases femelles

### 2401 01

A-Kupplung, Montage auf Leiterplatte, 90°-Version, einfach  
A female socket, mounting on printed circuit board, 90° version, one-way  
Embase femelle A, montage sur carte imprimée, version 90°, simple

### 2401 02

A-Kupplung, Montage auf Leiterplatte, 90°-Winkelversion, zweifach  
A female socket, mounting on printed circuit board, 90° version, two-way  
Embase femelle A, montage sur carte imprimée, version 90°, double

### 2401 03

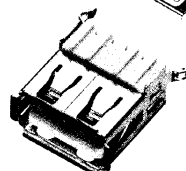

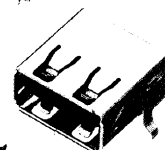

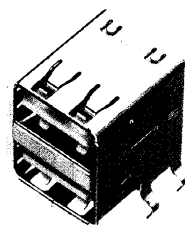

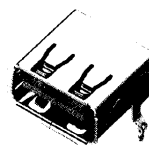

A-Kupplung, SMD, Montage auf Leiterplatte, 90°-Winkelversion, einfach  
A female socket, SMD, mounting on printed circuit board, 90° version, one-way  
Embase femelle A, SMD, montage sur carte imprimée, version 90°, simple

### 2401 05

A-Kupplung, Montage auf Leiterplatte, 180°-Version, einfach  
A female socket, mounting on printed circuit board, 180° version, one-way  
Embase femelle A, montage sur carte imprimée, version 180°, simple

### 2401 04

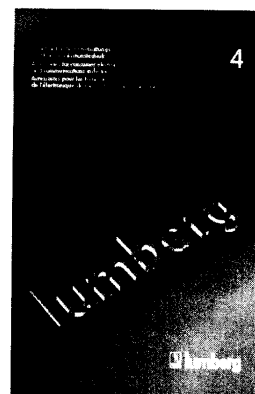

B-Kupplung, Montage auf Leiterplatte, 90°-Winkelversion, einfach  
B female socket, mounting on printed circuit board, 90° version, one-way
