

# SKINDICHT®

Accessories and separate gland parts  
Blanking plugs made of brass  
with PG thread

## SKINDICHT® BL Blanking plugs

SKINDICHT® BL blanking plugs are used wherever already existing threads are no longer required or not yet required. Our BL version is equipped with a screwing slit, which makes securing easier.

## SKINDICHT® BL Blanking plug with an O-ring

On request SKINDICHT® BL blanking plugs can be supplied with perburan O-sealing rings according to DIN 46320.
