

'250 Series' Cabinets

6 Drawers

Strong, sturdy cabinets manufactured from electro-galvanised steel. The cabinet has 6 large drawers, when these are lined with conductive foam they make excellent storage for a wide range of device shapes and sizes. Two packs of conductive open top box inserts are available. One pack will fill one drawer, and the inserts can be mixed and matched as desired. Each cabinet is supplied with an earthing lead, incorporating a 1M Ω resistor.

Cabinet: H=440, W=360, D=250
Drawers: H=45, W=312, D=218
