

order code: DP2611866

pack size: 1

A compact mixer for mono microphones. Each microphone channel has a separate volume control and the master volume controls the mixed signal level. Power is via 1x9V PP3 battery or an external 9V dc power supply..

technical information:

Technical Data	-
Frequency Range	2020000Hz
Input Sensitivity	5mV
Input Impedance	1kOhm
Output Voltage	100mV
S/N Ratio	55dB
THD	0.5%
Dimensions	148x50x85mm
