PRODUCT DOCUMENT

Atlas Copco

view select function	usagehelp2new
Tool/Produkt:	Battery Percussion Drill -
Type/Typ:	PEP 18 T
Article-No.:	4933 9664 5()
EAN-Code:	4002395 221806

Grafik (Lotus Notes)

Features

For drilling, screwdriving and percussion drilling

Variable speed trigger switch and softstart

Reversible action

QUICKSTOP motorbrake: spindle comes to an instant standstill for optimal efficiency and user safety.

Two-speed synchromesh 5 planetary gears for high torque

20-stage torque adjustment with additional percussion drilling setting: uniform results and optimised precision when screwdriving in series

2 - way flex battery pack insertion: improved balance and flexibility

Ergonomic softgrip T-handle design for more comfortable use

Technical data

Battery pack voltage / capacity	V/Ah	18 / 2,0
No load speed 1st / 2nd gear	rpm	0-500 / 0-1600
Keyless chuck	mm	1,5 - 13
Drilling capacity in steel / wood / stone	mm	13 / 38 / 16
Woodscrews to	mm	12
Max. torque soft joint / hard joint	Nm	25 / 48
Weight with battery pack	kg	2,7

Spindle thread

Chuck retaining screw

Weight for tool (with battery)

kg

In - service weight

kg

Screwdriving diameter in wood

mm

Screwdriving capacity from 1 battery charge

M5 x 10 / M6 x 10 in steel

3 x 17 / 3.5 x 20 in wood

Approvals for charger

VDE 0700 T. 1 + 29 IEC 335-1,
UL 45 IEC 335-2-29

Radio Interference Suppress

Noise and Vibration acc. to
