## A2 Twin Cartridge

- Conformity:** Meets the requirements of EN 141.  
EC Type Examination (CE) Certificate Number 69555, issued by BSI  
Product Certification, in accordance with the PPE Directive  
89/686/EEC.
- Performance:** Offers an assigned protection factor (APF) of 10 x Occupational  
Exposure Standard (OES) for organic vapours and gases.
- Materials:** Cartridge Outer – High Impact Polystyrene  
Cartridge Inner – Activated Carbon  
Diaphragm – Rubber
- Instructions For Use:** The male part of the cartridge should be unscrewed and pushed  
through the mask, from the inside. The female part should then be  
screwed to the protruding thread ensuring a tight fit. Twin Cartridges  
have a Clockwise thread.  
**N.B. Cartridges marked for use with twin filters only should never  
be used with masks made to fit single filters.**
- Cleaning Instructions:** Wipe with damp cloth soaked in mild detergent solution, being careful  
not to get any liquid inside the cartridge. DO NOT USE abrasive  
substances or solvents.
- Maintenance:** Store unopened packs, out of direct sunlight away from chemicals,  
abrasive substances and in a dry atmosphere. Opened packs should  
be stored in an airtight container.
- Limitations Of Use:** As indicated on the user instructions.
