

Screwdriver sets, BE-9888S 

Set of 7 insulated screwdrivers for slotted and Pozidriv PZ head screws for work on live equipment up to 1000 volts.

IEC 60900, DIN-EN 60900, EN 60900, VDE 0682 part 201.

Examination of screwdrivers according to latest national and international standards:

- examination piece-wise in water bath with 10 KV
- marking with the year of manufacture
- intensified cold stroke test

Ergonomically developed 3-component handle of polypropylene and thermoplastic elastomere. Permanent colour codes at both ends of the handle as a timesaving aid for application identification.

Finish: blade black oxidized, entirely hardened.

Material: blade of VANADIUM-EXTRA.
