

## 254mm 1800W COMPOUND MITRE SAW

### CATALOGUE ENTRY

**56 MS250**  
**254mm 1800W COMPOUND MITRE SAW**

This quality saw cuts accurately and decisively whether straight, cross or compound mitre cutting in wood, plastic or aluminium (note: aluminium cutting requires appropriate specification T.C.T. blade). The table and base are constructed from diecast aluminium and weighing only 20kg, the saw is ideal for easy movement around the site or workshop. Standard facilities include an integral dust extraction outlet and bag, extension wings, stop bar and vice clamp. 230V AC machine fitted with a BS approved non-rewireable 3 pin moulded plug and cable. Supplied complete with 30T T.C.T. saw blade. Carton packed.
