- Minimum OD. 3mm.
Maximum OD. 11mm.
- Easy to use.
- For use in telecom and datacom networks, installation and service.

Total length	90mm
Weight	36g

Type	Part No.
AM 11	900815

CST

Insulation stripping tool for coaxial cables from 2.5 to 8mm diameter.

- 2 or 3 stage insulation stripping in one work cycle.
- Only one tool for 2 or 3 stage insulation stripping.
- Exchangeable screw holder.
- Exchangeable colour coded cutter cassettes with standard blade spacings.

Total length	100mm
Weight	65g

Type	Stripping Dimensions	Part No.
CST		903050
Screwholder		903206
Grey Cassette	B=3.9mm	903205
Red Cassette	B=6.0mm	903204
Yellow Cassette	B=12.0mm	903203
Blue Cassette	B=6.5mm	903202
Green Cassette		903200
	C+B=7.1 + 5.1mm	
Brown Cassette		903201
	C+B=7.5 + 3.5mm	

CST VARIO

Insulation stripping tool for coaxial cables from 2.5 to 8mm diameter.

- 2 or 3 stage insulation stripping in one work cycle.
- Only one tool for 2 or 3 stage insulation stripping
- Interchangeable blade holder.
- Strip lengths adjustable in 1mm increments.
- Total stripping length 17mm

Total Length	116mm
Weight	76g

Type	Part No.
CST Vario	900570
Blade Holder	900574
Blade Inserts (3pcs)	900573
Allen Key	900572
