LC CST - Economical coax strippers

Finally, an economical, high-performance coaxial stripper with strong ergonomic design! Performs two and three-level stripping of coaxial cables. Strips outer jacket, shield braid and inner dielectric. Adjustable blade depth for various coaxial cable thicknesses.

- Choose from two models:
LC CST-58/59 which strips RG58/RG59/RG62/RG6 coaxial cables including Belden 8281, 1694A and 1695A
LC CST-11 which strips RG8/RG11/RG213 coaxial cables
- Adjustable blade depth for varying cable diameters
- Self-regulating stripping method
- Pre-set strip lengths
- Low price with high-quality performance
- LC CST-58/59 prepares cable for CATV "F" connectors with an easy blade adjustment
- One-year warranty
