

Goosenecks

Heavy duty black or silver chrome goosenecks and mounting flanges. The goosenecks are available in 152, 330 and 580mm lengths (6, 13 and 20 inch) with standard 15.88m (0.625 inch) threaded ends. The mounting flange has a diameter of 45mm (1.77 inch) with a 15.88mm (0.625 inch) female adaptor. The 508mm (20 inch) gooseneck has a XLR plug and jack with gold-plated pins and is only available in silver chrome.
