

## Compact Tool Boxes

### Lightweight

Lightweight, yet extremely rugged tool boxes, made of rust-proof, scratch resistant and virtually unbreakable high grade polypropylene. All the boxes have a removable tote tray, strong hinges, carry handles, may be padlocked for security, and are stackable.

In addition, the Compact 27, 47 and Compact 62 have 2 or 4 lockable drawers incorporated into the base. These, as well as the tote trays are designed to accept the RAACO inserts available separately.

FOR SUITABLE DRAWER/TRAY INSERTS SEE PAGE 0000

107-646

Box with tray	Outer Dimensions (mm)			Internal Volume (l)	Max. Load Bearing (kg)	Order Code
