

Polypropylene Toolcases

Professional injection moulded cases in a modern ergonomic design available in two colours. Black case with red latches and grey case with blue catches. Each case has integral carry handle and two secure latches with moulded robust plastic hinge system. The cases are internally supplied with foam pads that are easy to customise for both protection and presentation of product and equipment. A sharp knife is recommended for a neat professional image.

Order code	Colour	Internal Dimensions (L x W x Hmm)	Price each
