

SKINDICHT® SM SKINDICHT® GMK

Accessories and separate gland parts
Locknuts made of polystyrene and brass
with PG thread

SKINDICHT® GMK locknuts

SKINDICHT® GMK made of polystyrene are used wherever the casings only contain pass-through threads. GMK counter-nuts are especially suited for our SKINDICHT® SVK cable glands.

SKINDICHT® SM locknuts

SKINDICHT® SM hexagonal locknuts are needed wherever a gland must be secured or thin casing walls only permit pass-through threads. They are manufactured according to DIN 46320.

Technical Data

Material:
GMK: Polystyrene
SM: brass, nickel plated

Colour:
RAL 7035 GMK light grey
