

Swaged Tip Industrial Thermocouple & Pt100 Probes

Swaged Tip Industrial Process Sensors

- Combines quick thermal response with rugged construction
- Suit flowing fluids, H & V applications, process plant
- Industrial process construction to IP67, KNE head
- All stainless steel probe 300 x 6.35mm swaged down to 50 x 3mm
- Type K thermocouple or Pt100 4-wire sensor
- M20 cable gland

Sensor Type	Farnell Code	Labfacility Stock Code
Pt100	163-3444	011048TD
Type K	163-3443	011052TD

Data Ref; FAR73
