

DURACELL®

Rechargeable

Pocket USB Charger

BENEFITS

- Swinging Mini USB arm
- Up to 30 – 40% charge on mobile phones
- On the go back-up power when you need it

FEATURES

Internal Lithium-ion battery; 500 mAh

- High energy density
- On / off switch for low self discharge
- Bi-color charge status LED indicator

• Green = Power On

• Red = Low Battery

Charging of USB enabled devices

- Mini USB retractable arm
- Mini USB cable included

Recommended charging via USB 2.0 output

SAFETY

Battery protection circuit

- Over voltage and under voltage
- Output overload protection

TECHNICAL

Plug	USB and Mini USB Cable; Mini USB Retractable Arm
Battery Type	Lithium-ion; 3.7V / 500 mAh
Product Weight	43 grams
Input	USB 5V/0.5A
Output	USB 5V/0.5A or as required by device
Operating Temperature	5 °C - 40 °C
Product Dimensions	78 mm (L) x 38 mm (W) x 18 mm (H)

*Charge rate and time is dependent on cell capacity, discharge state, and operating temperature.
