

- On load up to 80 amps
- 3 and 4 pole
- Door interlockable handle
- 3 Padlockable positions
- DIN or base mounting
- Special lightweight extensions
- Snap-on auxiliaries
- Designed to IEC 947

Ordering

To order – select

- **Switch** – According to rating and number of poles
- Plus ■ **Handle** – Black or red and yellow
- Plus ■ **Shaft** – Extension – according to depth
