

BACK UP DRIVE & MAGNETIC HEAD CLEANING

Headclene

Non-flammable solvent for cleaning oxides and dirt from magnetic read/write heads.

- Does not harm plastics or rubber
- Leaves no residue
- Dissolves light grease and oil
- Use with *Foambuds* or *Safebuds*

250ml pump spray

ORDER CODE: HCE250 OUTER CASE: x 12

Isoclene

Isopropyl alcohol for general cleaning use by engineers.

- Leaves no residue
- Ideal for cleaning magnetic read/write heads
- Pump action provides controlled use
- 99.7% pure Isopropyl alcohol
- Use with *Safewipes*, *Safebuds*, *Foambuds* or *Safesleeves*

250ml pump spray

ORDER CODE: ISO250 OUTER CASE: x 12

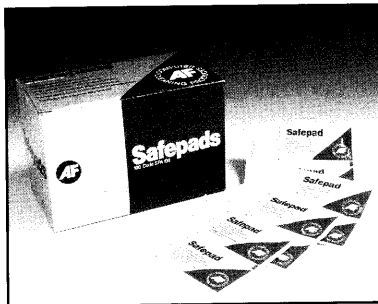

Safeclene 2000

Non-flammable cleaning solvent.

- Dissolves light oil and grease.
- Evaporates rapidly leaving no residues
- Removes oxide effectively from read/write heads of back-up devices.
- Suitable for use on live video equipment
- Use with *Foambuds*, *PC-Buds*, *Safesleeves* or *Safewipes*

200ml aerosol

ORDER CODE: SCL200 OUTER CASE: x 12

Safepads

Solvent impregnated lint-free wipes for general technical cleaning.

- Contains 99.7% pure Isopropyl Alcohol
- Ideal for engineer's tool bag
- Suitable for cleaning edge connectors when reseating PC boards
- Sachet pack ensures optimum condition prior to use

Box – 100 sachets

ORDER CODE: SPA100 OUTER CASE: x 10

Safesleeves/Safewands

Cotton sleeves and application spatulas for technical cleaning.

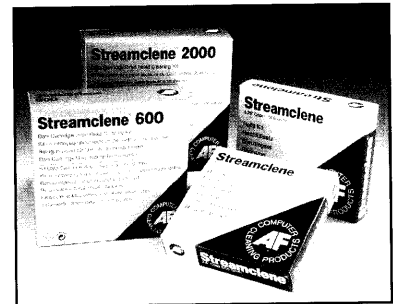

- Lint-free cotton sleeves which slide over *Safewands* plastic spatula
- 100% pure cotton with no additives or brightening agents
- Suitable for cleaning tape drive heads and coin slots
- Use with *Isoclene*, *AF-Spray*, *Headclene* or *Safeclene 2000*

Box – 100 sleeves

ORDER CODE: SSL100 OUTER CASE: x 10

Box – 10 spatulas

ORDER CODE: SWA010 OUTER CASE: x 10

Streamclene (600 & 2000)

Data cartridge drive head cleaning kits.

- Cleaning action powered by drive itself
- Non flammable Cleaning Fluid
- Disposable cleaning pads prevent re-contamination of head
- Wide pad profile ensures complete tape path is cleaned
- DC300/600 & DC2000 versions available

Kits – 1 cleaning cartridge with 20ml bottle *Headclene* and 20 pads

ORDER CODE: SCB020N (*Streamclene 600*)

ORDER CODE: SCC020 (*Streamclene 2000*)

OUTER CASE: x 10

Refill kits–

20ml bottle *Headclene* and 20 pads

ORDER CODE: SCB020NR (*Streamclene 600*)

ORDER CODE: SCC020R (*Streamclene 2000*)

OUTER CASE: x 10
