Instructions for use

JetStar – Inkjet film for Epson Printers

100-070	A4 10 sheet pack
100-071	A4 100 sheet pack
100-072	A3 10 sheet pack
100-073	A3 100 sheet pack

1.   Set printer to high resolution dpi

2.   Print onto the smooth side of the film

3.   Allow to dry before use.

NOTE:
If any streaking or smudging occurs, it may be because the moving print head is in contact with the film before the ink is dry. To correct this, try making a mechanical adjustment to the printer by following the printer manufacturer's instructions to move the print head further away. This adjustment is often made when printing on thick paper or card.
