Right-angled boot

As supplied (a)

After unrestricted recovery (b)

Applications

Use for mechanical protection and connector-cable strain relief. This family of boots has no lip, so a boot can be installed directly onto the connector accessory thread.

Materials Available

Material*	Material description	Precoating no.	Adhesive part no.**
-3	Semirigid polyolefin	/42 or /86	S-1017 or S-1048
