

# WIRE & ABRASIVE BRUSHES

## DIY Brushes

Our DIY brushes are similar to the shaft mounted brushes but are specially designed for lighter use and they fit into a power drill.

## Hand Scratch Brushes

We offer a selection of wooden scratch brushes and Spid plastic handled brushes. In stock we have wooden scratch brushes with four rows of filaments made from steel, stainless steel or brass wire. Alternative sizes and filling materials are readily available. Spid brushes are designed for use on narrow section workpieces or profiled surfaces. They are available individually or in display boxes of thirty six.
