HEAT SINKS

FOR TO-220s

151-305

574102, 574402, 574502, 574602, 574902 & 578902 - PLUG-IN HEAT SINKS FOR TO-220s

Built in spring design assures tight fit between semiconductor and heat sink
Maximum metal to metal thermal contact.

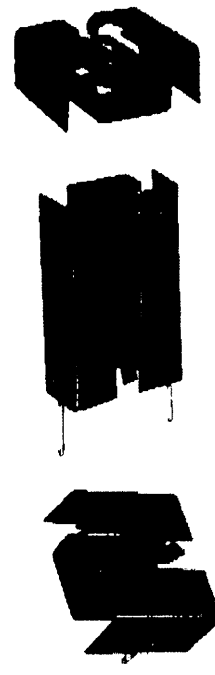

Styles available in three heights, with or without tinned tabs³.

The drawings below show tabs of different types. Particular tab options depend upon customer needs. Tab selection is designated in the 9th & 10th position. For tab options⁴ see pages 19-20.

Can be soldered directly to PC board. Horizontal or vertical mounting.

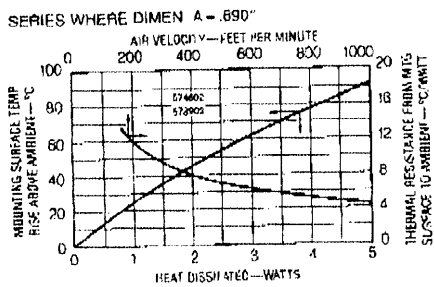

574102 has additional hole for optional hardware mounting. All others without hole.

574102, 574402 -
574602, 574902 &
578902

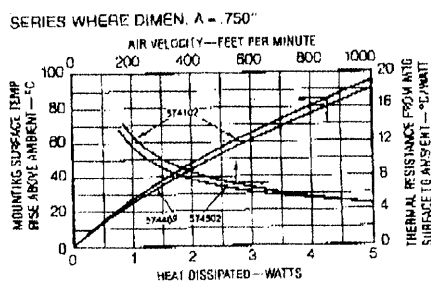

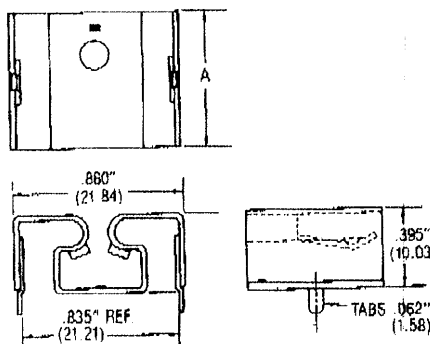

U.S. Patent # 4215361

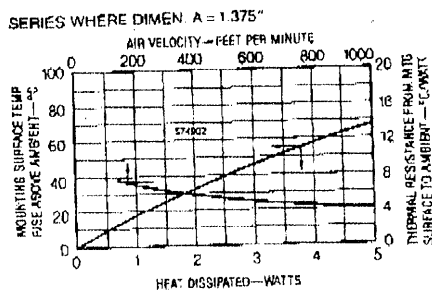

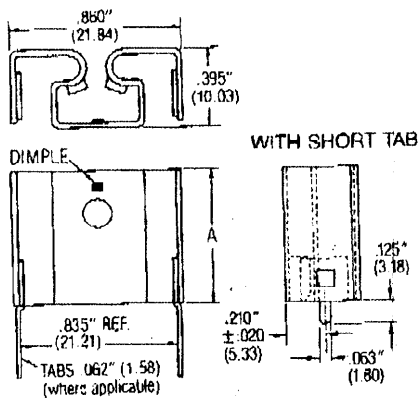

Stock
574502 B00000
574502 B03300

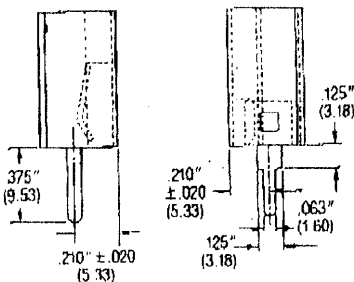

FOR HORIZONTAL MOUNTING

FOR VERTICAL MOUNTING

WITH LONG TAB WITH STEPPED TAB

Drawing	Tab Ordering No.
Horizontal	32
Vertical	33
Long Tab	33
Stepped Tab	37
Short Tab	32

Mounting ³	Model	Dim A
Vertical	574602	0.690" (17.53)
	574102	0.750" (19.05)
	574502	0.750" (19.05)
	574902	1.375" (34.93)
Horizontal	578902	0.690" (17.53)
	574402	0.750" (19.05)

1. Tolerances +/- .017" (+/- .43mm) unless otherwise noted
2. Dimensions in parentheses are millimeters
