Plugs

4 mm system

4 mm system

Product description			
	Multiple-spring wire plug with coupling located paral- lel to the connector pin. In this way, the plugs can be connected together without shorting. Solder connec- tion up to maximum cable cross-section of 1.5 mm². Nickel-plated brass contact material.	Fully mating connector ,shatter-proof, flexible insulated sleeve. The tapering sleeve end also serves as kinking protection for the lead. Screw connection up to maximum cable cross-section of 1.5 mm². Nickel-plated brass contact material.
