

### Product Description

Enables the use of cable glands with larger connection threads than the existing threaded holes; With guide notch for O-ring; Assembling with wrench

### Application range

- Equipment group II / Category 2G+1D
- Devices, machines and apparatus
- Mobile offshore and marine applications
- Chemical and petrochemical industry

### Benefits

- Enables the use of cable glands with larger connection threads than the existing threaded holes
- With guide notch for O-ring
- Assembling with wrench

### Design

- Metric connection thread acc. to EN 50262

Technical Data

Colour delivered

RAL 7035 light grey

Range of temperature

-30°C up to +90°C

Material

Body: Nickel plated brass O-Ring: NBR
