General Return Policy

General Return

Requests for Authorization to return Kroy merchandise must be made to the Kroy Customer Support Department in Cleveland, Ohio. Approved returns are to be accompanied by a Return Materials Authorization number (RMA number) clearly marked on the outside of all packages. To expedite processing, Kroy's customer service department will forward a Kroy Return Identification Label for this purpose. This number will only be issued by Kroy's Customer Support Department. Only authorized returns displaying an RMA number on the outside of its package will be accepted at Kroy's factory. Handling fees, freight, and transportation charges are to be prepaid.

All authorized returns will be assessed a 15% restocking fee. This fee for service will be based on the invoice amount of the returned merchandise. **The restocking fee will not apply if returned merchandise is replaced immediately with like-product.** A replacement of like-product will be invoiced and sent to customer. Freight charges will be paid by Kroy and added to the customer's bill.

Requests to return Kroy merchandise must be made within thirty (30) days of invoice date and received by Kroy within sixty (60) days of invoice date. Failure to conform to this timetable will constitute forfeiture of the return privilege. Discontinued merchandise, special order merchandise, seasonal merchandise, and promotional merchandise will not be accepted for return.

Kroy merchandise is expected to be returned in original factory packaging, free from any markings and labels, with all components, materials and packing intact. **Credit will be reduced for any components missing from machine packages (i.e. batteries, battery chargers, power cords, manuals etc.).** Opened and/or used products will be deemed unacceptable and returned at shipper's expense. .

Defective Merchandise

All defective Kroy merchandise returns require an RMA number and are subject to verification for defect.

Defective tape cartridges should be returned to Kroy with an explanation of the defects discovered in each cartridge (tape binding, voids, ribbon rewind, not feeding, etc.). These explanations are helpful to maintain constant improvement in Kroy manufacturing.

Expired tape cartridges, discontinued Kroy products, empty cartridges, and untested defective tape cartridges will not be accepted by Kroy as defective.

Note: Please verify that the customer's machine is cleaned and properly maintained (print pad, cut blade, wire guides, thermal head, drive roller, and print roller should be evaluated). These parts will have significant influence on optimum print quality.

Kroy reserves the right to discontinue return privileges to any reseller or customer who engages in excessive or unauthorized return transactions. Questions regarding Kroy's Return Policy should be directed to Corporate Kroy Sales Managers or Customer Support Representatives.

Warranty Information

Warranty

Kroy LLC ("Kroy") warrants, to the original retail purchaser only, that Kroy products sold hereunder are free from defects in material and workmanship for a period of TWELVE (12) MONTHS from the date of original retail purchase. Software (on exchange basis only) and printheads are warranted for a period of NINETY (90) DAYS from the date of original purchase.

If you discover a defect Kroy will, at its option, repair, replace or refund your purchase price of the Kroy product or component at no charge, provided it is returned during the applicable warranty period, transportation charges prepaid, to an authorized Kroy Reseller. You must include your name, address, telephone number, a description of the problem and a copy of a bill of sale as proof of date of original purchase, with each product or component returned for warranty service.

This warranty applies only to products manufactured by or for Kroy, which can be identified by the KROY® trademark, trade name or logo affixed to them. Kroy does not warrant any products that are not Kroy Products. This warranty does not apply if the product has been damaged by accident, abuse, improper installation, failure to adhere to Kroy Instruction Manual, misuse or misapplication, modification without the written permission of Kroy, or if any serial number has been removed or defaced.

THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NONINFRINGEMENT.

IN NO EVENT SHALL KROY BE RESPONSIBLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM ANY BREACH OF WARRANTY, STRICT LIABILITY IN TORT, OR UNDER ANY OTHER LEGAL THEORY (INCLUDING LOST PROFITS, DOWNTIME, GOODWILL, DAMAGE TO OTHER EQUIPMENT AND PROPERTY, AND ANY COSTS OF RECOVERING, REPROGRAMMING OR REPRODUCING ANY PROGRAM OR DATA STORED IN OR USED WITH KROY PRODUCTS).

No Kroy Reseller, agent or employee is authorized to make any modification, extension or addition to this warranty.

Important Product Notice

The K3100-PC supercedes model K3000-PC

Functionally identical to K3000-PC

K3100-PC uses common AC adapter with K5100 and K4100 models

NOTE: Use of K3000-PC AC adapter with K3100-PC will permanently damage printer

Available February 1, 2006

New part number is: 2564000 for K3100-PC

K5100 & K4100

K5100 Handheld Label & Wire-Marking Printer

- Thermal transfer print technology
- Auto sizing text feature
- Prints 6- 72 point at 300 dpi resolution
- Two line x 16 character LCD display
- Use stand alone or with your PC
- Downloadable and scaleable fonts
- On-board memory to store label formats
- Flash upgradeable firmware
- Internal battery charger
- Real time clock with time/date stamping ability
- 10 resident bar codes including Code 39 and Code 128
- Multi-language prompts including English and Spanish
- Alpha/Numeric sequencing (A-Z, 1-999)
- Repeat function allows up to 999 copies
- Built-in cutter and feed control to eliminate waste
- Print styles include frame, bold, italic, underline and mirror
- Rotate feature for landscape or portrait mode
- Vertical and horizontal print formats
- Audible key clicks and error messages
- Print speeds up to 2 ips (inches per second)

K5100 includes:

K5100 Printer, Owner's Manual, AC Adapter, Power Cord and Serial Cable.
Printers do not come with supply cartridge. Batteries not included.
