

- Easy to fasten by hand
- Very high tensile strength
- Consistent performance and reliability
- Infinitely adjustable throughout it's bundle range
- High quality application tooling to ease installation

Military Specification Ties

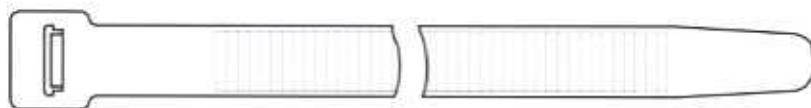

Material - High grade Nylon 6.6

HF
(Halogen Free)

Product Reference	Overall Length mm	Strap Width mm	Minimum Tensile Strength lbs N	Maximum Cable Diameter mm	Recommended Tensioning Tool
T150M	540	8.9	175 787	152	MK6/MK9/MK12
