

Codes 7114990, 7115003, and 7115040,

Flush Mount

These can be embedded up to the full depth of the sensor,

Eg:

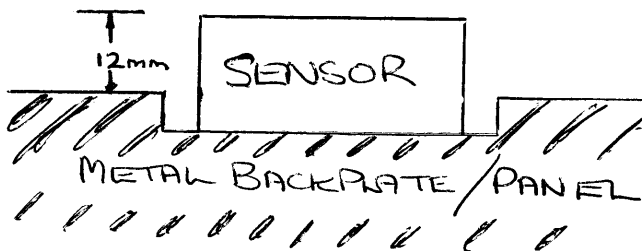

Codes 7115015, 7115027, 7115052, and 7115064,

Non-Flush Mount

These can only be embedded to a max depth of 3mm, at least 12mm needs to be exposed.

Eg:

***N.B. Both of these sensors can be surface mounted should you wish to do so.
Also note that these diagrams are not to scale.**
