2.54 Dimensions : Millimetres

5.00

Specifications:

Current rating : 1.0A ac/dc.

Voltage rating : 30V ac/dc.

Maximum contact resistance : 20m ohm.

Minimum insulation resistance : 1000M ohm.

Withstanding voltage : 500V ac for one minute.

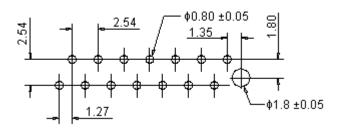

Operating temperature range : -40°C to +105°C.

Material and Finish

Insulator : High tempature plastic.

Contact : Copper alloy.
Plating : Selective plated.

Recommended PCB Layout

This data sheet and its contents (the "Information") belong to the Premier Farnell Group
(the "Group") or are licensed to it. No licence is granted for the use of it other than for
information purposes in connection with the products to which it relates. No licence
of any intellectual property rights is granted. The Information is subject to change with-
out notice and replaces all data sheets previously supplied. The Information supplied is
believed to be accurate but the Group assumes no responsibility for its accuracy or
completeness, any error in or omission from it or for any use made of it. Users of this
data sheet should check for themselves the Information and the suitability of the prod-
ucts for their purpose and not make any assumptions based on information included or
omitted. Liability for loss or damage resulting from any reliance on the Information or
use of it (including liability resulting from negligence or where the Group was aware of
the possibility of such loss or damage arising) is excluded. This will not operate to limit
or restrict the Group's liability for death or personal injury resulting from its negligence.
