| 3 GALLON                  | 02104   |
| 6 GALLON                  | 02105   |
| LINER FOR ITEM NO. 02104  | 02103   |
| GASKET FOR ITEM NO. 02104 | 02101   |
| GASKET FOR ITEM NO. 02105 | 02102   |

Item N° 02116 Air Tools 

## Pressure Feed Spray Gun

- ▶ Excellent for large areas - Such as buses, trucks and vans.
- ▶ Allows operator to mix and paint 2 quarts at a time.

Item N° 02108 Air Tools 

## Semi-Professional Airbrush

- ▶ External paint mix.
- ▶ Adjustable spray pattern - From 1/8" to 1/2" depending on fluid assemble and material sprayed.
- ▶ Can be adapted for use on compressors, CO2 tank or aerosol cans.

Item N° 02109 Air Tools 

## Professional Airbrush

- ▶ Includes 3/4oz colour cup, 2oz jar, brush holder, 6" vinyl hose and adaptor.
- ▶ Large scale working - Not a problem with the 2oz jar.
- ▶ Operates on 15 - 50psi pressure - Normal operating pressure 25psi.

Item N° 02119 Air Tools 

## Cobalt Spray Gun

- ▶ Highly efficient gravity feed, refinishing spraygun.
- ▶ Featherlight - With adjustable fluid and air control.

Item N° 02120 Air Tools 

## Jade Spray Gun

- ▶ Quality constant bleed, pressure feed spraygun.

Item N° 07560 Air Tools 

## Touch-Up Spray Gun

- ▶ Designed for professional use.
- ▶ Lightweight spray gun - Ideal for those smaller intricate jobs needing precision spraying.
- ▶ Adjustable fluid and air control.
- ▶ Locking cup with safety lever.

Item N° 02107 Air Tools 

## Pro-Paint-Mini Spray Gun

- ▶ Gravity feed spray gun.
- ▶ Compact for intricate work.
- ▶ Low air consumption.
- ▶ 750cc paint pot.

For Average Air Consumption values see pages 53 - 54

Item N° 02106

Air Tools 

## Moonlighter Spray Gun

- ▶ All purpose high pressure spray gun.
- ▶ Brass nozzle.
- ▶ Adjustable fluid and air control.

Item N° 02112

Air Tools 

## Sapphire Spray Gun

- ▶ Top quality professional spray gun .
- ▶ Low air requirement - Allowing use on most air compressors.
- ▶ Locking cup with safety lever.
- ▶ Finely adjustable fluid and air control.

Item N° 02110

Air Tools 

## Emerald Spray Gun

- ▶ All purpose easy to clean paint spray gun.
- ▶ Fully adjustable - Wide fan pattern control.
- ▶ Cup capacity - 1 litre.
- ▶ Stainless steel needles and springs.
- ▶ Chrome plated nozzle.
- ▶ Lightweight construction - Made from anodised aluminium.

Item N° 02115

Air Tools 

## Diamond Spray Gun

- ▶ Professional refinishing spray gun with 1.6mm nozzle.
- ▶ Fully adjustable - Wide fan pattern control.
- ▶ All purpose easy to clean paint spray gun.
- ▶ 1 litre capacity dripless cup with 3/8" attachment thread.
- ▶ Stainless steel needles and springs.
- ▶ Chrome plated nozzle.
- ▶ Lightweight construction - Made from anodised aluminium.
- ▶ Optional nozzle sets available - 1.5mm Order SIP code 70080  
1.8mm Order SIP code 70081  
2.0mm Order SIP code 70082

For Average Air Consumption values see pages 53 - 54

Item N° 02113

Air Tools 

## Record 2200T Gravity Feed Spray Gun

- ▶ Superior professional gravity feed spray gun .
- ▶ Superb results - Due to excellent design and precise manufacture.
- ▶ Space age teflon coated cup and handle - For easy cleaning.

02113

02114

Item N° 02114

Air Tools 

## Record 2000T Suction Feed Spray Gun

- ▶ Superior professional suction feed spray gun .
- ▶ Superb results - Due to excellent design and precise manufacture.
- ▶ Space age teflon coated cup and handle - For easy cleaning.

02118

02117

Item N° 02117

Air Tools 

## Mirage HVLP Suction Feed Spray Gun

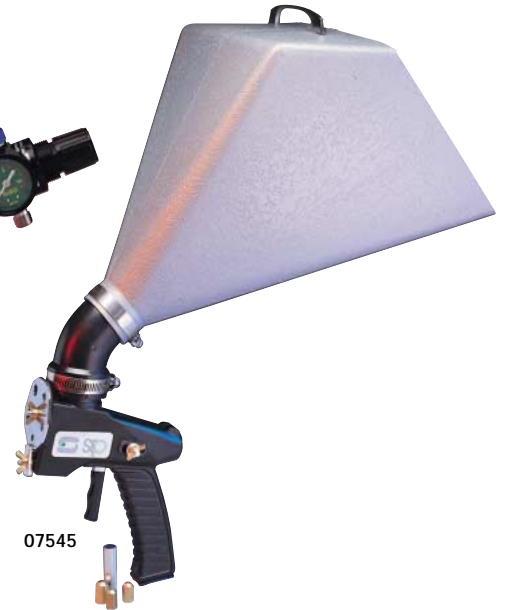

- ▶ Our own design for High Volume Low Pressure paint spraying.
- ▶ Minimum of 65% transfer of material to painted surface.
- ▶ Maximum of 10psi from nozzle when spraying.
- ▶ Optional nozzle sets available - 1.4mm Order SIP code 70305

Item N° 02118

Air Tools 

## Mirage HVLP Gravity Feed Spray Gun & Regulator

- ▶ Fast working speed and wide fan pattern.
- ▶ Anodised gun body.
- ▶ Round to flat fan control.
- ▶ Stainless steel needle and fluid tip makes it suitable for water based paints.

07545

Item N° 07545

Air Tools 

## Texture Spray Gun

- ▶ 6.5 Litre plastic hopper.
- ▶ 45° offset connector for spraying ceilings and walls.
- ▶ Ideal for applying most textured paints.
- ▶ Adjustable texture pattern.
