

**Specifications:**

- Contact rating: 12V-, 200mA
- Contact resistance: < 50mOhm
- Insulation resistance: > 100 MOhm
- Mechanical life: 5000 cycles min.
- Contacts: phosphor bronze, silver plated
- Terminals: brass, silver plated
- Contact timing: non shorting
- Slide color: blue
- soldering conditions: auto soldering, 230°C, 3 sec
