Overview

Key Features

The Perfect Cutting® line features seamless and lightweight Dyneema® and polyamide liners with PU or nitrile coating.

COMFORT

The tight knit gives the gloves perfect support, limits the penetration of dirt and offers a good touch. The ventilated back optimises their breathability. The cool Dyneema® touch gives an added sensation of comfort.

RESISTANCE

The Dyneema® and polyamide thread provides outstanding properties against cuts. The polyurethane/nitrile coating at the palm and fingertips provides outstanding abrasion resistance.

HYGIENE

Available in various color according to the work environment.

Recommended Industries/Use

- Agriculture
- Construction
- Manufacturing
- Municipal Services
- Pharmaceutical
- Steel and Metals
- Transportation
