

SW80B 48DC-CW-10 13220157

DESCRIPTION

SW80B 48DC-CW-10 13220157 48VDC Continuously Wound Coil Single Pole Single Throw Contactor 100A Continuous Rating Magnetic Blowouts allow for switching of up to 96V

APPLICATION

The SW80 series of contactors has been designed for direct current loads, particularly motors as used on small electric vehicles such as light industrial trucks, powered mobility aids, etc.

Specification for SW80B 48DC-CW-10 13220157

Manufacturer : Albright
RoHS : Yes
Part No : 407.015.001s
Maximum Current Rating : 100A
Maximum Voltage Rating : 48VDC
Dimension : 1.5" x 1.97" x 3.58"
